ALLIANCE FOR PEACE

## Collect for Us

Answer Myanmar provides donation boxes for businesses/organisations who wish to help fundraise for us by having a donation box on their shop counter/physical premise. The following should be read before reaching out to us if this is something you'd be happy to do.

1. Answer Myanmar provides donation boxes for shop counters for a period of two weeks.
2. A volunteer will collect the donations half way through the two week collection period, and then at the end of the two weeks.
3. Businesses/organisations wishing to collect on behalf of us should contact us at [volunteers@answermyanmar.org](mailto:volunteers@answermyanmar.org), and give their full details including the address of their business or organisation.
4. Businesses/organisations will receive a printed certificate at the end of the 2 week collection period which displays the amount raised through the support of that business/organisation.
5. Businesses/organisations are encouraged to send a photo of themselves with the donation box and the three finger salute to use at [communications@answermyanmar.org](mailto:communications@answermyanmar.org), this will be put on our social media or be used for future campaigns for Myanmar.
6. Businesses/organisations wishing to stay involved with us are also encouraged to send in their logos, a short bio and their website links so that they can be added to the Alliance for Peace section on the Answer Myanmar website. The more support we can show, the easier it will be for us to all help others, and to remind the people of Myanmar that they are not alone.

Thank you!
